

The tree majestic: The arboreal

Who should sow the vacant island.

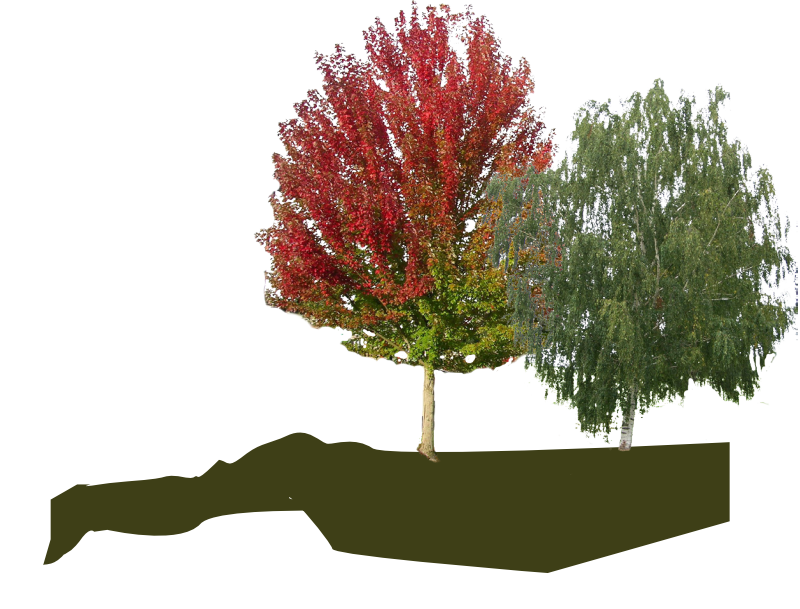

Who the forest seeds should scatter

Acer saccharum + Fraxinus pennsylvanica

Birches rose from all the marshes. In the loose soil grew the alders.

Acer rubrum + Betula alleghaniensis

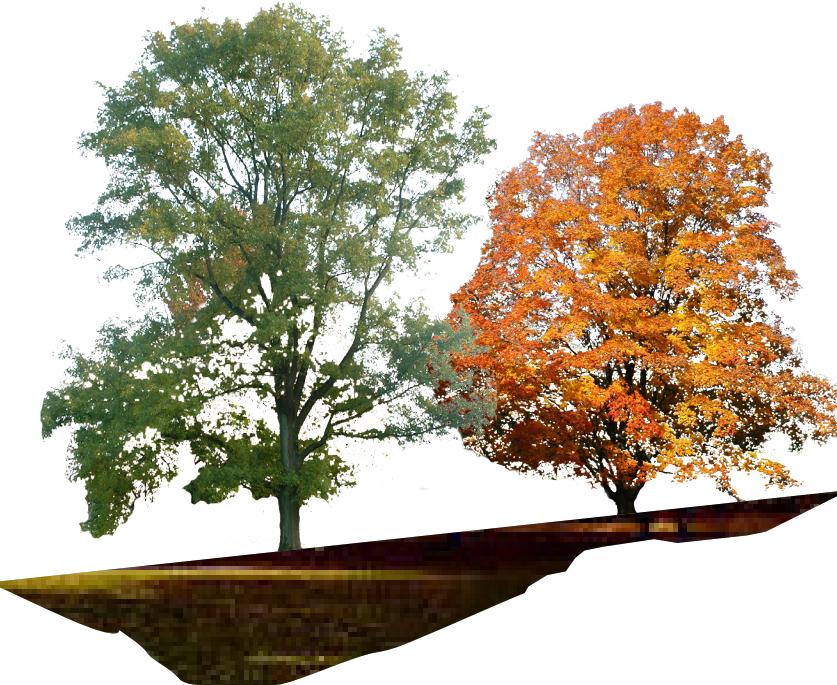

Who should sow the vacant island. Who the forest seeds should scatter

Fraxinus pennsylvanica + Ulmus americana

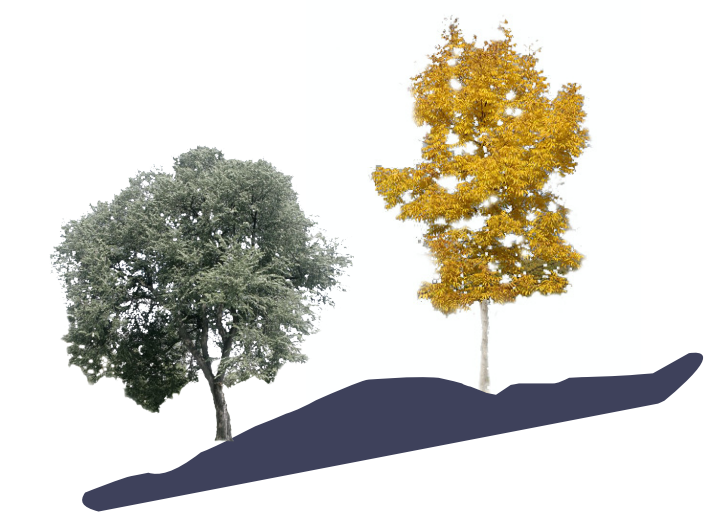

This work of Pellervoinen, Slender Sampsu, in his childhood.

Acer saccharum + Carya cordiformis

Seeds with diligence the island. Seeds upon the lands he scatters

Ulmus americana + Fraxinus nigra

Soon the fertile seeds were sprouting.

Soon the forest trees were growing.

Pinus rigida + Betula populifolia

Seeds in every swamp and lowland.

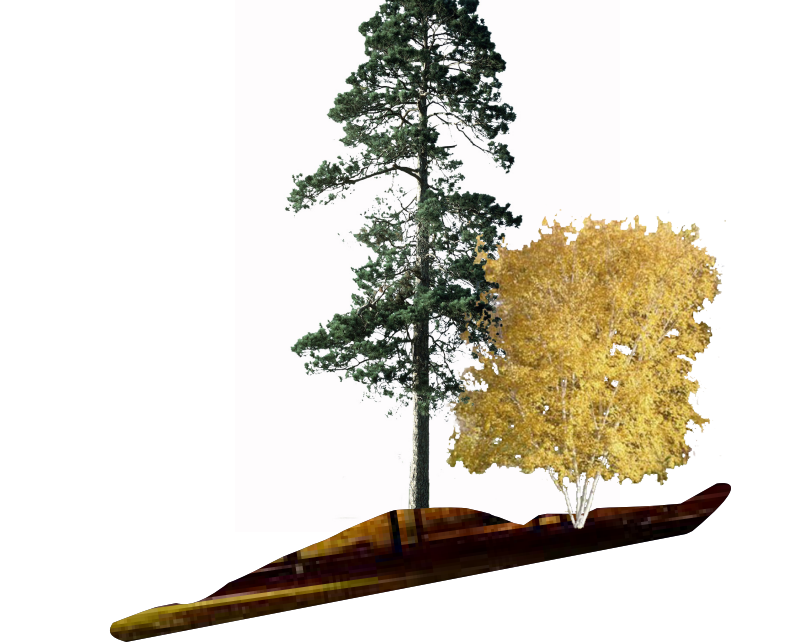

Forest seeds upon the loose earth

Tsuga canadensis + Thuja occidentalis + Ostrya virginiana

Birches rose from all the marshes. In the loose soil grew the alders.

Pinus resinosa + Betula populifolia

Fir-trees sows be on the mountains.

Pine-trees also on the hill-tops.

PSB Pinus strobus + Betula populifolia + Acer rubrum

Now the hero, Vainamoinen, Stands aloft to look about him.

Fagus grandifolia + Tsuga canadensis + Acer saccharum

Soon appeared the tops of fir-trees. And the pines were far outspreading.

Pinus strobus + Acer rubrum

Soon appeared the tops of fir-trees. And the pines were far outspreading.

Tsuga canadensis + Acer rubrum + Betula alleghaniensis

Mountain-ash in virgin places. On the banks of streams the hawthorn.

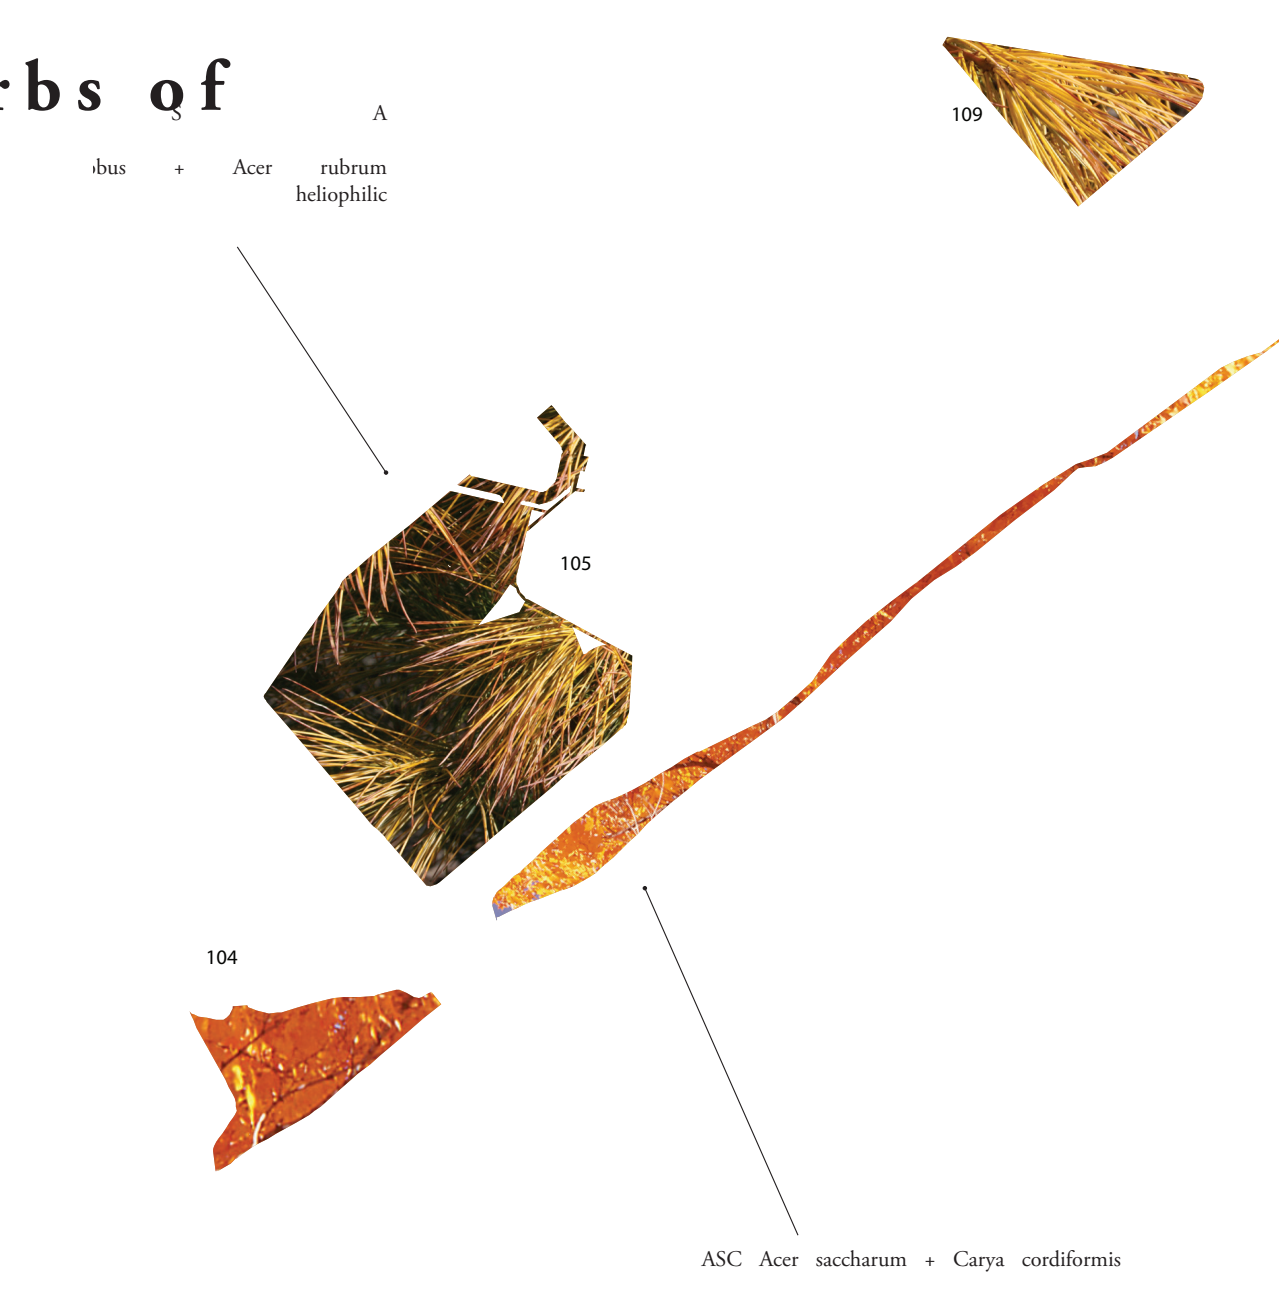

Tsuga canadensis + Fagus grandifolia + Populus grandidentata

Golden flowers in the meadows, and the herbs of many colours.

Vainamöinen's Ghost: The biometric sublime

On the land vast and vacant: The Voids

Vainamoinen's Sowing
THEN arose old Vainamoinen, With his feet upon the island, On the island washed by ocean, Broad expanse devoid of verdure;
