

Addendum 1

June 15, 2011

Section 3.0

The last paragraph of the section 3.0 is replaced by:

“Following the international ideas competition, winning proposals will be used as an input for the collaborative planning process of the gateway corridor. The international ideas competition should not be interpreted as a commitment to the implementation of the proposals but rather as an intention to initialize a creation and reflection process.”

Section 5.2

The following text is added at the end of the first paragraph of section 5.2:

“Individuals who have a current business relationship with members of the jury are not eligible in the competition.”
